GAP Insurance

If your vehicle is stolen, accidentally damaged beyond repair, or otherwise declared a "total loss", most auto policies only cover the actual cash value of your vehicle...less your deductible. Unfortunately, you are liable for the balance that remains on the loan. GAP protection covers that in between money left on the loan. Call the credit union for complete details at 1-361-882-4780 or email memberservices@ncecreditunion.com

Auto Extended Warranty

Many costly mechanical and electrical failures happen AFTER the factory warranty has expired. Avoid expensive repairs by protecting your vehicle. Our warranties are more affordable than those offered by the dealerships or other warranty companies. We offer Easy Street (Factory Type Coverage) Main Street (Deluxe Coverage), First Street (Drivetrain Coverage) each with great coverage. If you would like more information about this service, please call 1-361-882-4780 or email memberservices@ncecreditunion.com. If you are currently covered by one of our warranties and need to make a claim, call 1-800-808-0828 or email claims@route66warranty.com
